# Base your Aircraft in the Mid-Atlantic!

- Spacious hangar lots available
- No air traffic control tower makes for easy arrivals & departures
- Large corporate jet capability
- Newly expanded 5,500 x 150 feet runway, with additional 500 feet planned
- Mid-Atlantic location means quick access to East Coast & Midwest markets
- On-site FAA-certified Airframe & Powerplant (A&P) school
- Delaware tax/incorporation advantages
- Contract fuel pricing available
- Freight rail access at the airport
